

Education Proclaims the shaping of character which in turn chisels one's personality. True knowledge teaches one to soar high beyond the confines of the curricula. Such knowledge imparts the strength of mind with an unflagging desire to sustain the grandeur of nature and the harmony of human race.

DAV Public School Mugma Area Nirsa Dhanbad Jharkhand Zone -C area imparts a quintessential System of education that includes love for nature, empathy, tolerance, benevolence and other invaluable humane qualities that are eternal.

We aspire to ingrain eternal human values in sync with scientific learning. Our Endeavour is to provide education that incorporated a plethora of extracurricular activities to enable students to be equipped with knowledge reinforced with skill and positive attitude augmented with moral values. We accentuate education by crafting an invaluable holistic development -personal, social, cultural, and emotional
